

The Oak Grove Utility Office
has partnered with
the Aaron McNeil Center
to offer our community the

PLUS-ONE PROGRAM

This fantastic program provides
a way for the residents and businesses
of Oak Grove to help provide
Crisis Relief Services to their neighbors.

Here's how it works:
Oak Grove Utility Customers agree to have
\$1.00 (one dollar) automatically added to
their monthly water bill or make a one time
donation. The contribution to the
Plus-One Program will be used to
assist needy Oak Grove families.

**The Plus-One Program is administered by
Aaron McNeil Center**, who never gives out
cash and has set certain criteria in place to
keep individuals from abusing the system.

If you are able to assist your neighbors by
giving to the Plus-One Program, please fill
out the back side of this insert.
