So, Ordinance 2024-06 had the price \$193.60 listed in the actual ad.

The cost below of \$202.67 was what was actually charged for that ad to run.

Price listed in the ad should have been that \$202.67.

To fix that and so that you don't have to run the ad again we can just honor that \$193.60.

I'll get this ad placed on our credit/makegood sheet and have that difference not charged to the account we used to run the ad.

That difference would be \$9.07
