AGENDA ITEMS

- Discussion of I-24 Traffic
The committee discussed potential routes for Police and Fire services during periods of congestion. They also addressed the construction project for Pembroke Rd and I24 and its anticipated impact on emergency response times.
- Discussion of Fire Hydrants – Painting Contest
The committee discussed the idea of allowing residents to participate in a fire hydrant painting contest. Fire Chief Johnson expressed concerns regarding safety and the potential for damage to city property, noting that such activities could lead to vandalism and create safety risks.
- Discussion of 2026 Budget and Capital Outlay/ Discussion of FY 2027 Budget and Capital Outlay Projections

Committee discussed with the Fire and Police Departments their current budget status. The Fire Department reported being over budget due to maintenance and repair expenses. Lt. Locklear advised that additional details would need to come from Chief Lynch. The committee also discussed capital outlay needs for each department and reviewed their respective wish lists.

- Grant Status Updates

The committee met with each department to discuss grant opportunities. Both departments discussed potential grants they may pursue, as well as those for which they have already submitted applications for.

- Rescue Boat Status Update

The committee requested that the Fire Chief research other departments regarding the potential future purchase of a boat.

- Equipment Status Update

The Fire Department reported on the status of its vehicles, noting that all critical equipment is operational. The department also advised that state training certification fees are increasing. Chief Johnson expressed the need to consider a combination department, noting the increasing difficulty in relying on volunteer response, particularly as call volume continues. The Police Department provided an update on its vehicles, indicating that their status is good. Additional updates were given on tasers, radios, and computers.
